Title: Keep Watching Out

Problem: False teachers among the people secretly introduce destruction and denying God, leading others into depravity and disrepute.

Main idea: We need to watch out for and safeguard against false teachers; while watching God and watching out for God in our life.

Introduction

1. Watch Out for False Teachers

2. Watch Out for God

Reflections:

Watch Out for Falsehoods:

- What areas of falsehoods have you encountered?
- Ask God for His protection and discernment to safeguard ourselves from falsehoods

Watch Out for God:

- What areas has God demonstrated His power and sovereignty in your life?
- Ask God to keep you faithful and ready as we watch for His coming.
